

## Room for Doubt

### Can I Trust the Bible?

#### **Challenge 1: The New Testament was written too late to be reliable history.**

The events in the Bible are based primarily on direct \_\_\_\_\_ testimony.

The accounts were written down \_\_\_\_\_.

#### **Challenge 2: The Bible is full of myths that thinking people wouldn't believe.**

Don't \_\_\_\_\_ the Bible before you \_\_\_\_\_ the Bible.

The Bible is the most \_\_\_\_\_ ancient document in the history of the world.

#### **Challenge 3: The Bible is full of contradictions**

Wherever there are \_\_\_\_\_, there is also \_\_\_\_\_.

Eyewitness accounts will \_\_\_\_\_ have \_\_\_\_\_ differences.

#### **Challenge 4: The Bible has been corrupted over time.**

Every \_\_\_\_\_ translation goes back to the \_\_\_\_\_ documents.

#### **Recap**

1. The New Testament was written early, and presents reliable historical accounts of God's activities through Christ.
2. The Bible is *not* full of myths, but it does tell about the amazing ways God worked through Jesus, including fulfilled prophecies and miracles.
3. The Bible is *not* full of contradictions, and most of the alleged discrepancies are pretty easily answered.
4. The Bible has *not* been corrupted over time. Rather, the Bibles we have today are highly accurate and reliable versions of what was originally written.
