\_\_\_\_\_% of children between 8 and 16 have viewed porn.

## 1. Avoid the \_\_\_\_\_.

Avoiding the \_\_\_\_\_ is about avoiding the \_\_\_\_\_ that lead you to sin.

Q: What are your rooftops?

## 2. Pornography will always have \_\_\_\_\_.

The more you say \_\_\_\_\_ to porn, the harder it is to say \_\_\_\_\_.

## 3. Pornography will always lead to greater \_\_\_\_\_.

- Pornography can lead to crime.
- Pornography fuels sexual slavery.
- When you view pornography, you are looking at very broken people who are very \_\_\_\_\_ to God.

## 4. What can we do?

- Have the talks
- Repent
- Pray
- Get accountability
