Our desire is to give all students the opportunity to participate in all youth trips, camps, & events, we and understand there are times when the cost may be out of reach. For this reason, we have created a Scholarship Fund with the purpose of providing financial assistance to those who would not otherwise be able to attend.

The Scholarship Fund is made possible through donations received from many thoughtful individuals who recognize the valuable spiritual impact that trips, camp, & youth events can have in a student's life.

### Scholarship Specific Guidelines:

1. All Scholarship recipients must complete our *Work Program*, which you will need to coordinate through our youth program & youth minister office. Work Program finances received will be credited towards your overall youth event or youth camp balance.

a. Mt. Tabor Christian Church always provides 50% funding to any students attending a week of camp (Wonder Valley) that have participated in our youth events during the year.

b. The 50% funding for a youth event or 1 week of camp is not required as part of the *Work Program*.

2. Assistance is normally granted on a partial basis as need is determined. The maximum amount this program can provide for any individual is up to one half (50%) of the trips total cost (see example A for exceptions). (Consider using our *Payment Plan* for the remaining balance if needed. Email us to get that form @ luke@mtchurch.org).
